## FSKTM Inspires: Honouring Dedication and Excellence

— By Noor Yusrina Hashim, Che Mazni Sidek

The Faculty of Computer Science and Information Technology (FSKTM), Universiti Malaya, celebrated Hari Akademia 2025 on 30 October 2025, bringing together academic and administrative staff to recognise achievements and celebrate the collective excellence of the FSKTM community.

This year's celebration embraced the theme, "Integrating Artificial Intelligence (AI) in Higher Education," highlighting the faculty's commitment to digital transformation and fostering innovation in teaching, learning, and research. Hari Akademia 2025 also served as a platform to acknowledge staff members whose dedication has strengthened the faculty's academic reputation. Awards presented included:

- Excellent Service Certificates for Academic and non-academic staff
- Outstanding Research Awards
  1. Highest Publications (WoS Q1 & Q2): Prof. Dr. Por Lip Yee @ Por Khoon Sun
  2. Largest Research Grant Value: Assoc. Prof. Dr. Tey Kok Soon
  3. Most Principal Investigator Projects: Assoc. Prof. Dr. Tey Kok Soon
  4. Highest Consultation Project Value: Assoc. Prof. Dr. Azah Anir Norman
  5. Outstanding Academic Visibility: Prof. Ts. Dr. Ainuddin Wahid bin Abdul Wahab
  6. Highest Number of Community/UMCARES Projects: Dr. Muhammad Nur Firdaus bin Sahran
- Excellence in Teaching Awards
  1. Undergraduate Category: Prof. Dr. Nor Liyana Mohd Shuib
  2. Postgraduate Category: Ts. Dr. Riyaz Ahamed Ariyaluran Habeeb Mohamed
- Outstanding Supervision Award
  1. Best Supervisor (PhD Completion & GOT): Professor Ir. Dr. Chan Chee Seng

The event also highlighted achievements in high-impact research, leadership in major research grants, and significant community-based projects, reflecting FSKTM's strong research culture and commitment to producing innovations that benefit society.

As FSKTM continues to advance AI integration and digital innovation, Hari Akademia 2025 stands as a testament to the faculty's enduring commitment to excellence and its mission to cultivate future-ready capabilities.

*Recipients of the Excellent Service Award and Certificate of Excellent Service*
